

**Chagrin Falls Parent Teacher Organization (PTO)
ANNUAL MEMBERSHIP
One form per family: Due September 14, 2018**

Your annual membership supports the day-to-day operations of the PTO, providing things such as new teacher stipends, teacher awards and recognition, art shows and other activities.

PTO member benefits include:

- Voting rights to determine large grant funding at the April meeting
- Regular PTO communications
- Additional volunteer opportunities throughout the year

To simplify, classroom fees will no longer be collected for Gurney or the Intermediate Schools. Instead, all families are asked to become members of Chagrin Falls PTO. Each family may choose the membership level they deem appropriate.

All families are encouraged to pay membership dues online at www.chagrinfallspato.org. If you are unable to pay online, you may submit the form below with a check payable to "Chagrin Falls PTO." These can be sent to any school by September 14, 2018.
